Independent Auditor's Report

The Board of Directors
Miracle of Love, Inc.

Report on the Financial Statements

We have audited the accompanying financial statements of Miracle of Love, Inc., which comprise the statements of financial position as of June 30, 2015 and 2014, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control.

Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Miracle of Love, Inc. as of June 30, 2015 and 2014, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Our audit was performed for the purpose of forming an opinion on the financial statements of Miracle of Love, Inc., taken as a whole. The accompanying schedule of Federal Awards, as required by Office of Management and Budget Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations* is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued a report dated January 15, 2016, on our consideration of the Miracle of Love, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grants and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Miracle of Love, Inc.'s internal control over financial reporting and compliance.

MIRACLE OF LOVE, INC.

Notes to Financial Statements

Years ended June 30, 2015 and 2014

(1) **Organization**

Miracle of Love, Inc. (the Organization) was formed in June 1997 under the laws of the State of Florida. The Organization received a tax-exempt status under Section 501(c)(3) of the Internal Revenue Code in June 1998. The mission of Miracle of Love, Inc. is to provide comprehensive, multicultural HIV/AIDS care, education and prevention services that are effective and responsive to the Central Florida communities.

(2) **Summary of Significant Accounting Policies**

(a) **Basis of Presentation**

The accompanying financial statements are presented on the accrual basis and represent the financial position and results of operations of the Organization.

These financial statements are prepared on an entity wide basis, focusing on the organization as a whole and present balances and transactions according to the existence or absence of donor-imposed restrictions. This has been accomplished by aggregating all funds into one set of financial statements and classifying fund balances and transactions into three classes of net assets – permanently restricted, temporarily restricted or unrestricted as follows:

Permanently restricted net assets - Net assets subject to donor-imposed stipulations that they be maintained permanently by the Organization. There were no permanently restricted net assets as of or for the year ended June 30, 2015.

Temporarily restricted net assets - Net assets subject to donor-imposed stipulations that may or will be met by actions of the Organization and/or the passage of time. There were no temporarily restricted net assets as of or for the year ended June 30, 2015.

Unrestricted net assets - Net assets not subject to donor-imposed stipulations. The Organization reports donor-restricted contributions whose restrictions are met in the same reporting period as unrestricted support.

(b) **Cash Equivalents**

The Organization considers all highly liquid investments with an original maturity of three months or less when purchased to be cash equivalents.

(Continued)

MIRACLE OF LOVE, INC.

Notes to Financial Statements

Years ended June 30, 2015 and 2014

(2) Summary of Significant Accounting Policies (Continued)

(c) Property and Equipment

Property and equipment are stated at cost (for those items purchased) and fair market value at date of receipt (for those items donated). Depreciation is provided on a straight-line basis over the following estimated useful lives of the assets:

Building and building improvements	7 to 40 years
Furniture and office equipment	3 to 7 years

(d) Income Taxes

The Organization is exempt from federal income tax under provision of Section 501(c)(3) of the Internal Revenue Code. In addition, the Organization has been determined by the Internal Revenue Service not to be a private foundation within the meaning of Section 509(a) of the Code. Consequently, no provision for income taxes has been included in the accompanying financial statements.

In accordance with "Income Taxes" FASB Accounting Standards Codification Topic 740 (Topic 740), all entities are required to evaluate and disclose income tax risks. Topic 740 clarifies the accounting for uncertainty in tax positions and prescribes guidance related to the financial statement recognition and measurement of a tax position taken or expected to be taken in a tax return. The tax benefit from an uncertain tax position is only recognized in the statement of financial position if the tax position is more likely than not to be sustained upon an examination, based on the technical merits of the position. Interest and penalties, if any, are included in expenses in the statement of activities. As of June 30, 2015, the Organization had no uncertain tax positions that qualify for recognition or disclosure in the financial statements.

The Organization's income tax returns are subject to review and examination by federal authorities. The Organization is not aware of any activities that would jeopardize its tax-exempt status. The Organization is not aware of any activities that are subject to tax on unrelated business income, excise or other taxes. The tax returns for the fiscal years ended from 2012 to 2014 are open to examination by federal authorities.

(Continued)

MIRACLE OF LOVE, INC.

Notes to Financial Statements

Years ended June 30, 2015 and 2014

(2) Summary of Significant Accounting Policies (Continued)

(e) Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

(f) Functional Allocation of Expenses

The costs of providing various programs and supporting services have been summarized on a functional basis in the statements of activities. Accordingly, certain costs have been allocated by the Organization's management among the programs and supporting services benefited. These costs are allocated by the Organization's management based upon actual time involved and a percentage of assets utilized.

(g) Donated Property and Equipment, Support Services, and Use of Facilities

Donated property and equipment, professional support services and use of facilities are reflected as contributions in the accompanying financial statements at their estimated values at the date of receipt. The Board of Directors contribute a significant amount of their time to assist the Organization in its program operations and administration functions. These services are not valued or reflected in the accompanying financial statements because there is no objective basis to measure their value.

(h) Subsequent Events

In preparing these financial statements, the Organization has evaluated subsequent events and transactions for potential recognition and disclosure through January 15, 2016, which is the date the financial statements were available to be issued.

(3) Concentration of Risk

Miracle of Love, Inc. has a single mission in a limited geographic region subjecting the Organization to risks of changes in the demographics of its target area.

(Continued)

MIRACLE OF LOVE, INC.

Notes to Financial Statements

Years ended June 30, 2015 and 2014

(3) Concentration of Risk (Continued)

Substantially all of the Organization's support is received directly or from pass-through entities that manage federal grants. There is a risk that grant funds will not be available in the future to support aids service and prevention or, if grants are available, that the Organization may not be the recipient of sufficient funds to continue operations.

(4) Line of Credit

The Organization has a line of credit agreement (the "Agreement"), providing up to \$200,000 of borrowings. The agreement provides for interest to be payable monthly at the prime rate plus .75% (4.0% at June 30, 2015), but no less than 4.5%, and is collateralized by a blanket lien on all assets. The outstanding balance at June 30, 2015 and 2014 was \$86,960 and \$126,960, respectively.

(5) Leases

The Organization leases its corporate offices under a lease that expires October 2016. The lease is accounted for as an operating lease. Rent is determined on an annual base rent plus common area expenses and totaled approximately \$58,000 each year for the years ended June 30, 2015 and 2014.

The Organization leases office space for case management for the Ryan White Program in Lake County, Florida that expires April 2016. The lease is accounted for as an operating lease. Rent is determined on an annual basis and totaled approximately \$16,000 each year for the years ended June 30, 2015 and 2014. The Organization subleases this location for approximately \$8,000 each year for the years ended June 30, 2015 and 2014.

The Organization leases office space for case management for the Ryan White Program in Kissimmee, Florida that expires October 2016. The lease is accounted for as an operating lease. Rent is determined on an annual basis and totaled approximately \$6,000 each year for the years ended June 30, 2015 and 2014.

The Organization leases an RV on a daily basis for HIV/AIDS testing. Rent totaled approximately \$8,000 each year for the years ended June 30, 2015 and 2014.

The Organization leases two copiers that expire March 2016 and June 2017. These leases have been accounted for as operating leases. Rent totaled approximately \$4,000 each year for the years ended June 30, 2015 and 2014.

MIRACLE OF LOVE, INC.

Notes to Financial Statements

Years ended June 30, 2015 and 2014

(5) **Leases (Continued)**

The Organization has various month-to-month operating leases that totaled approximately \$5,000 each year for the years ended June 30, 2015 and 2014.

Future minimum rent required by all operating leases with non-cancelable initial or remaining lease terms in excess of one year as of June 30, 2015 are summarized in the following table:

For the year ended June 30:

2016	\$ 80,645
2017	22,200

**Independent Auditor's Report on Internal Control Over Financial Reporting
and on Compliance and Other Matters Based on an Audit of Financial
Statements Performed in Accordance with *Government Auditing Standards***

To the Board of Directors
Miracle of Love, Inc.

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Miracle of Love, Inc., which comprise the statement of financial position as of June 30, 2015, and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated January 15, 2016.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered Miracle of Love, Inc.'s internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Miracle of Love, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of Miracle of Love, Inc.'s internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the organization's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Miracle of Love, Inc.'s financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly this communication is not suitable for any other purpose.

**Independent Auditor's Report on Compliance for Each Major
Federal Program and on Internal Control Over compliance
Required by OMB Circular A-133**

To the Board of Directors
Miracle of Love, Inc.

Report on Compliance for Each Major Federal Program

We have audited the compliance of Miracle of Love, Inc., with the types of compliance requirements described in the U.S. Office of Management and Budget (OMB) *Circular A-133 Compliance Supplement* that could have a direct and material effect on each of Miracle of Love, Inc.'s major federal programs and state projects for the year ended June 30, 2015. Miracle of Love, Inc.'s major federal program is identified in the summary of the auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of Miracle of Love, Inc.'s major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States of America; OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Those standards and OMB Circular A-133 and the Florida Single Audit Act require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of

compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on test basis, evidence about Miracle of Love, Inc.'s compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of Miracle of Love, Inc.'s compliance.

Opinion on Each Major Federal Program

In our opinion, Miracle of Love, Inc. complied, in all material respects, with the types of requirements referred to above that could have a director and material effect on each of its major federal programs for the year ended June 30, 2015.

Report on Internal Control Over Compliance

Management of Miracle of Love, Inc. is responsible for establishing and maintaining effective internal control over compliance with requirements referred to above. In planning and performing our audit of compliance, we considered Miracle of Love, Inc.'s internal control over compliance with the types of requirements that could have a direct material effect on a major federal program and state project to determine our auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with OMB Circular A-133, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Miracle of Love, Inc.'s internal control over compliance.

A deficiency in an internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of the internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be a material weakness. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of OMB Circular A-133. Accordingly, this report is not suitable for any other purpose.
