## **Independent Auditor's Report**

The Board of Directors  
Miracle of Love, Inc.

### **Report on the Financial Statements**

We have audited the accompanying financial statements of Miracle of Love, Inc., which comprise the statements of financial position as of June 30, 2016 and 2015, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

### **Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### **Auditor's Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control.

Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### **Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Miracle of Love, Inc. as of June 30, 2016 and 2015, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

### **Other Matters**

Our audit was performed for the purpose of forming an opinion on the financial statements of Miracle of Love, Inc., taken as a whole. The accompanying schedule of Expenditures of Federal Awards, is required by Title 2 U.S. *Code of Federal Regulations* (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

### **Other Reporting Required by *Government Auditing Standards***

In accordance with *Government Auditing Standards*, we have also issued a report dated September 20, 2016, on our consideration of the Miracle of Love, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grants and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Miracle of Love, Inc.'s internal control over financial reporting and compliance.

*Schaefer, Tschoy, Whitcomb, Mitchell & Shulman, LLP*

See accompanying notes to financial statements

MIRACLE OF LOVE, INC.

**Notes to Financial Statements**

Years ended June 30, 2016 and 2015

**(1) Organization**

Miracle of Love, Inc. (the Organization) was formed in June 1997 under the laws of the State of Florida. The Organization received a tax-exempt status under Section 501(c)(3) of the Internal Revenue Code in June 1998. The mission of Miracle of Love, Inc. is to provide comprehensive, multicultural HIV/AIDS care, education and prevention services that are effective and responsive to the Central Florida communities.

**(2) Summary of Significant Accounting Policies**

**(a) Basis of Presentation**

The accompanying financial statements are presented on the accrual basis and represent the financial position and results of operations of the Organization.

These financial statements are prepared on an entity wide basis, focusing on the organization as a whole and present balances and transactions according to the existence or absence of donor-imposed restrictions. This has been accomplished by aggregating all funds into one set of financial statements and classifying fund balances and transactions into three classes of net assets – permanently restricted, temporarily restricted or unrestricted as follows:

**Permanently restricted net assets** - Net assets subject to donor-imposed stipulations that they be maintained permanently by the Organization. There were no permanently restricted net assets as of or for the year ended June 30, 2016.

**Temporarily restricted net assets** - Net assets subject to donor-imposed stipulations that may or will be met by actions of the Organization and/or the passage of time. There were no temporarily restricted net assets as of or for the year ended June 30, 2016.

**Unrestricted net assets** - Net assets not subject to donor-imposed stipulations. The Organization reports donor-restricted contributions whose restrictions are met in the same reporting period as unrestricted support.

Under generally accepted accounting principles, contributions are generally recognized as revenue when the gift is made and are recorded as unrestricted, temporarily restricted or permanently restricted, depending on the presence or absence and type of donor imposed restrictions or conditions.

(Continued)

MIRACLE OF LOVE, INC.

**Notes to Financial Statements**

Years ended June 30, 2016 and 2015

**(2) Summary of Significant Accounting Policies (Continued)**

**(a) Basis of Presentation (Continued)**

The Organization's resources as presented on the statements of activities and changes in net assets include support and revenue. Support such as public support, contributions and grants are unconditional gifts to the Organization of cash or other assets in a voluntary nonreciprocal transfer by another entity. Revenue consists of fees earned for the performance of Organization services, investment income consisting of interest, gains or losses from activities that are peripheral or incidental to the Organization and are reported net, rental income and other income.

Support and revenue are reported as increases in unrestricted net assets unless use of the related assets is limited by donor-imposed restrictions. Expenses and losses are reported as decreases in unrestricted net assets unless their use is limited by donor-imposed restrictions. Expirations of temporary restrictions on net assets (i.e., the donor-stipulated purpose has been fulfilled and/or the stipulated time period has elapsed) are reported as reclassifications between the applicable classes of net assets. Donor restricted contributions, whose restrictions are met in the same reporting period, are reported as unrestricted support.

Contributions, including unconditional promises to give, less an allowance for uncollectible accounts, are recognized as revenue in the period made or received. Pledges are recorded as unconditional promises to give and temporarily restricted net assets in the period that notification is received. Pledges are discounted, using a market discount rate, to present value for collections expected in future years. Accretion of the discount in subsequent years is also recorded as contribution revenue. Conditional promises to give are not recognized until they become unconditional, that is, when the conditions on which they depend are substantially met. The Organization also receives indications of intent to support, which are commitments that are open-ended and subject to unilateral change by the donor. The amounts are not measurable since the commitments do not express a term or period. Thus, they are not considered to be unconditional promises to give and are not recognized prior to the receipt of the contribution.

(Continued)

MIRACLE OF LOVE, INC.

**Notes to Financial Statements**

Years ended June 30, 2016 and 2015

**(2) Summary of Significant Accounting Policies (Continued)**

**(a) Basis of Presentation (Continued)**

Contributions of assets, materials, and use of facilities are recorded at their estimated fair value at the date of gift. Such values are recorded in the financial statements as an asset or expense and revenue. In addition, the Organization receives contributed time related to various program services. These contributed services are recorded at their estimated fair value at the date of service if they meet the following criteria: (a) the services would have otherwise been purchased by the Organization, and (b) the services required specialized skills.

Contributed services are recorded in the financial statements as an asset or expense and revenue related to the service. For the year ended June 30, 2016, the Organization received no in-kind contributions of assets, materials, use of facilities or services.

A substantial number of unpaid volunteers have donated significant amounts of their time to the Organization's program operations, fundraising campaigns, and administrative services. However, due primarily to the nature of the services provided, they have not been reflected in the accompanying financial statements.

**(b) Cash and Cash Equivalents**

The Organization considers all highly liquid investments with an original maturity of three months or less when purchased to be cash equivalents.

**(c) Accounts Receivable**

Accounts receivable are carried at their estimated collectible amounts and are recorded net of contractual adjustments and an allowance for doubtful accounts. The allowance for doubtful accounts is estimated by management based on the Organization's prior years' experience and a review of the current status of the existing receivables. Adjustments to the allowance for doubtful accounts are recorded to an expense account. When management determines that a receivable is uncollectible, it is removed from accounts receivable and is charged to the allowance for doubtful accounts.

(Continued)

MIRACLE OF LOVE, INC.

Notes to Financial Statements

Years ended June 30, 2016 and 2015

(2) **Summary of Significant Accounting Policies (Continued)**

(d) **Property and Equipment**

Property and equipment are stated at cost (for those items purchased) and fair market value at date of receipt (for those items donated). All property expenditures in excess of \$500 are capitalized and expenditures for repairs and maintenance are charged to operations as incurred. Depreciation is provided on a straight-line basis over the following estimated useful lives of the assets:

<u>Asset</u>	<u>Life</u>
Building and building improvements	7 to 40 years
Furniture and office equipment	3 to 7 years

(e) **Income Taxes**

The Organization is exempt from federal income tax under provision of Section 501(c)(3) of the Internal Revenue Code. In addition, the Organization has been determined by the Internal Revenue Service not to be a private foundation within the meaning of Section 509(a) of the Code. Consequently, no provision for income taxes has been included in the accompanying financial statements.

In accordance with "Income Taxes" FASB Accounting Standards Codification Topic 740 (Topic 740), all entities are required to evaluate and disclose income tax risks. Topic 740 clarifies the accounting for uncertainty in tax positions and prescribes guidance related to the financial statement recognition and measurement of a tax position taken or expected to be taken in a tax return. The tax benefit from an uncertain tax position is only recognized in the statement of financial position if the tax position is more likely than not to be sustained upon an examination, based on the technical merits of the position. Interest and penalties, if any, are included in expenses in the statement of activities. As of June 30, 2016, the Organization had no uncertain tax positions that qualify for recognition or disclosure in the financial statements.

The Organization's income tax returns are subject to review and examination by federal authorities. The Organization is not aware of any activities that would jeopardize its tax-exempt status. The Organization is not aware of any activities that are subject to tax on unrelated business income, excise or other taxes. The tax returns for the fiscal years ended from 2013 to 2015 are open to examination by federal authorities.

(Continued)

MIRACLE OF LOVE, INC.

Notes to Financial Statements

Years ended June 30, 2016 and 2015

(2) **Summary of Significant Accounting Policies (Continued)**

(f) **Use of Estimates**

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

(g) **Fair Value of Financial Instruments, Concentration of Business and Credit Risks**

The Organization's financial instruments are cash and cash equivalents, accounts receivable, other assets, accounts payable and accrued expenses and a line of credit.

The recorded values of cash and cash equivalents, accounts receivable, other assets and accounts payable and accrued expenses approximate fair value based on their short term nature.

The carrying amount reported in the accompanying statement of financial position for the line of credit approximates fair value because actual interest rates do not significantly differ from current rates offered for instruments with similar characteristics.

The Organization has a single mission in a limited geographic region subjecting the Organization to risks of changes in the demographics of its target area.

Substantially all of the Organization's support is received directly or from pass-through entities that manage federal grants. There is a risk that grant funds will not be available in the future to support aids service and prevention or, if grants are available, that the Organization may not be the recipient of sufficient funds to continue operations.

Grants and contracts receivable arise as a result of agreements with third parties to provide specified services. The grants and contracts are monitored on a monthly basis and are not collateralized.

The Organization maintains its cash in a deposit account at a financial institution which is insured up to \$250,000 by the U.S. Federal Deposit Insurance Corporation (FDIC). As of June 30, 2016, there were no amounts in excess of the federally insured deposit limit.

(Continued)

MIRACLE OF LOVE, INC.

**Notes to Financial Statements**

Years ended June 30, 2016 and 2015

**(2) Summary of Significant Accounting Policies (Continued)**

**(h) Functional Allocation of Expenses**

The costs of providing various programs and supporting services have been summarized on a functional basis in the statements of activities. Accordingly, certain costs have been allocated by the Organization's management among the programs and supporting services benefited. These costs are allocated by the Organization's management based upon actual time involved and a percentage of assets utilized.

**(i) Fair Value Measurements**

The Organization has adopted accounting standards for fair value measurements, which defines fair value, establishes a framework for measuring fair value, and expands disclosures about fair value measurements of assets and liabilities to include disclosure about inputs used in the determination of fair value using the three categories listed below.

These accounting standards apply under other accounting pronouncements previously issued by the Financial Accounting Standards Board, or FASB, which require or permit fair measurements. The adoption of the accounting standards did not impact the Committee's financial position or results of operations.

Fair value is defined under "Fair Value Measurements and Disclosures," FASB Accounting Standards Codification Topic 820 (Topic 820) as the price that would be received to sell an asset or paid to transfer a liability in the principal or most advantageous market in an orderly transaction between market participants on the measurement date. Topic 820 also establishes a three-level hierarchy, which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value.

The valuation hierarchy is based upon the transparency of inputs to the valuation of an asset or liability on the measurement date. The three levels of inputs to the valuation methodology are:

- Level 1 - quoted prices (unadjusted) for an identical asset or liability in an active market.
- Level 2 - quoted prices for a similar asset or liability in an active market or model-derived valuations in which all significant inputs are observable for substantially the full term of the asset or liability.
- Level 3 - unobservable and significant to the fair value measurement of the asset or liability.

(Continued)

MIRACLE OF LOVE, INC.

**Notes to Financial Statements**

Years ended June 30, 2016 and 2015

**(2) Summary of Significant Accounting Policies (Continued)**

**(i) Fair Value Measurements (Continued)**

At June 30, 2016, the Organization had no financial instruments that require additional disclosure.

**(j) Long-Lived Assets**

The Organization follows the policy of lifting restrictions on contributions of cash and other assets received for the acquisition of long-lived assets when the long-lived assets are acquired.

In accordance with “Property, Plant and Equipment – Impairment or Disposal of Long-Lived Assets,” FASB Accounting Standards Codification Topic 360 (Topic 360), long-lived assets, such as property and equipment, are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount of an asset may not be recoverable. If circumstances require a long-lived asset be tested for possible impairment, the Organization first compares undiscounted cash flows expected to be generated by an asset to the carrying value of the asset. If the carrying value of the long-lived asset is not recoverable on an undiscounted cash flow basis, an impairment is recognized to the extent that the carrying value exceeds its fair value. Fair value is determined through various valuation techniques including discounted cash flow models, quoted market value and third-party independent appraisals, as considered necessary. No impairment charges have been recorded in the accompanying financial statements related to long-lived assets.

**(k) Subsequent Events**

In preparing these financial statements, the Organization has evaluated subsequent events and transactions for potential recognition and disclosure through September 20, 2016, which is the date the financial statements were available to be issued.

MIRACLE OF LOVE, INC.

**Notes to Financial Statements**

Years ended June 30, 2016 and 2015

**(3) Line of Credit**

The Organization has a line of credit agreement (the "Agreement"), providing up to \$200,000 of borrowings. The agreement provides for interest to be payable monthly at the prime rate plus .75% (4.25% at June 30, 2016), but no less than 4.5%, and is collateralized by a blanket lien on all assets. The outstanding balance at June 30, 2016 and 2015 was \$137,960 and \$86,960, respectively.

**(4) Leases**

The Organization leases its corporate offices under a lease that expires October 2016. The lease is accounted for as an operating lease. Rent consists of an annual base rent plus common area expenses and totaled approximately \$58,000 each year for the years ended June 30, 2016 and 2015.

The Organization leases office space for case management for the Ryan White Program in Lake County, Florida that expires April 2017. The lease is accounted for as an operating lease. Rent is determined on an annual basis and totaled approximately \$16,000 each year for the years ended June 30, 2016 and 2015. The Organization subleased this location for approximately \$8,000 each year for the years ended June 30, 2016 and 2015.

The Organization leases office space for case management for the Ryan White Program in Kissimmee, Florida that expires October 2016. The lease is accounted for as an operating lease. Rent is determined on an annual basis and totaled approximately \$6,000 in each of the years ended June 30, 2016 and 2015.

The Organization leases an RV on a daily basis for HIV/AIDS testing. Rent totaled approximately \$8,000 each year for the years ended June 30, 2016 and 2015.

The Organization has various month-to-month operating leases that totaled approximately \$5,000 in each of the years ended June 30, 2016 and 2015.

**Notes to the Schedule of Expenditures of Federal Awards**

Years ended June 30, 2016 and 2015

**(1) Basis of Presentation**

The accompanying schedule of expenditures of federal awards (the "Schedule") includes the federal grant activity of Miracle of Love, Inc., under programs of the federal government for the year ended June 30, 2016. The information in this Schedule is presented in accordance with the requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*. Because the Schedule presents only a selected portion of the operations of Miracle of Love, Inc., it is not intended to and does not present the financial position, changes in net assets, or cash flows of Miracle of Love, Inc.

**(2) Summary of Significant Accounting Policies**

Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, wherein certain types of expenditures are not allowable or are limited as to reimbursement.

## **Independent Auditor's Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with *Government Auditing Standards***

To the Board of Directors  
Miracle of Love, Inc.

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Miracle of Love, Inc., which comprise the statement of financial position as of June 30, 2016, and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated September 20, 2016.

### **Internal Control over Financial Reporting**

In planning and performing our audit of the financial statements, we considered Miracle of Love, Inc.'s internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Miracle of Love, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of Miracle of Love, Inc.'s internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the organization's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

### **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether Miracle of Love, Inc.'s financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

### **Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly this communication is not suitable for any other purpose.

**Independent Auditor's Report on Compliance for Each  
Major Program and on Internal Control Over Compliance  
Required by the Uniform Guidance**

To the Board of Directors  
Miracle of Love, Inc.

**Report on Compliance for Each Major Federal Program**

We have audited Miracle of Love, Inc.'s compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of Miracle of Love, Inc.'s major federal programs for the year ended June 30, 2016. Miracle of Love, Inc.'s major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

**Management's Responsibility**

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its federal programs.

**Auditor's Responsibility**

Our responsibility is to express an opinion on compliance for each of Miracle of Love, Inc.'s major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Miracle of Love, Inc.'s compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of Miracle of Love, Inc.'s compliance.

### **Opinion on Each Major Federal Program**

In our opinion, Miracle of Love, Inc. complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2016.

### **Report on Internal Control Over Compliance**

Management of Miracle of Love, Inc. is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered Miracle of Love, Inc.'s internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Miracle of Love, Inc.'s internal control over compliance.

*A deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that a material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

**Miracle of Love, Inc.**  
**Schedule of Findings and Questioned Costs**  
**Year Ended June 30, 2016**

**I. Summary of the Audit Results**

1. The auditors' report expresses an unqualified opinion on the financial statements of Miracle of Love, Inc.
2. No significant deficiencies or material weaknesses were disclosed during the audit of compliance and on internal control over financial reporting based on an audit of financial statements performed in accordance with government auditing standards.
3. No instances of noncompliance material to the financial statements of Miracle of Love, Inc. were disclosed during the audit.
4. No significant deficiencies or material weaknesses were disclosed during the audit of compliance with requirements applicable to each major program and internal control over compliance in accordance with the Uniform Guidance.
5. The auditors' report on compliance for the major Federal award programs for Miracle of Love, Inc. expresses an unqualified opinion.
6. There are no audit findings relative to the major Federal award program for Miracle of Love, Inc. that are required to be reported in accordance with 2 CFR Section 200.516(a).
7. The program tested as a major program was:  
  
Department of Housing and Urban Development CFDA #14.241 - Housing Opportunities for Persons with AIDS
8. The threshold for distinguishing Types A and B programs was \$750,000.
9. The auditee did qualify as a low-risk auditee.

**II. Financial Statement Findings**

1. No matters reported.

**Miracle of Love, Inc.**  
**Schedule of Findings and Questioned Costs**  
**Year Ended June 30, 2016**

**III. Findings and Questioned Costs – Major Federal Programs**

None

**V. Other Issues**

No summary schedule of prior audit findings is required because there were no prior audit findings related to Federal programs. No Corrective Action Plan is required because there were no findings required to be reported under the Federal Single Audit Act.
